Objective

This event is part of a project co-financed by the European Commission under its Justice Programme. Under the project, national seminars are taking place all over the European Union to promote the European Public Prosecutors Office and to facilitate the daily work of practitioners and other relevant actors in the judicial field with this newly formed European entity.

Part of this project is the distribution of standardised training materials reusable in future trainings.

Website

Further information on the project as well as a comprehensive library including podcasts, presentations, legal texts and other materials can be found here: <https://era-comm.eu/training-on-eppo/>

Who should attend?

National prosecutors and investigating judges upon selection of the judicial school.
